Lenovo Go Wireless Vertical Mouse

Our hands were not designed to be flat on tables for 8 hours a day, yet that is how mice were designed in the past. The **Lenovo Go Wireless Vertical Mouse** goes beyond the norm and delivers an experience that replicates the natural form of a handshake with a 45° palm grip and revised finger positioning for optimal posture and productivity.

Advanced Ergonomics

WHY CHOOSE THE LENOVO GO WIRELESS VERTICAL MOUSE?

Crafted using the latest ergonomic science, the Lenovo Go Wireless Vertical Mouse provides an experience that boosts your well-being and productivity with its comfortable palm rest, vertical grip and curvature, and natural palm and finger positioning.

Luxury Comfort

The Lenovo Go Wireless Vertical Mouse is a solution made from eco-friendly cork that provides maximum comfort and grip for your palm, thumb, and fingers. It's easy to clean, too, thanks to the liquid and UV resistant coating.

Unrivaled Performance Get all the features of a traditional premium mouse, such as 3-level adjustable DPI and programmable side
