

ThinkPad L13 Yoga Gen 3

ThinkPad L13 Yoga Gen 3 helps users power through daily tasks with its new 16:10 aspect ratio displays and higher screen-to-body ratio for expanded productivity that today's hybrid workforce demands. This compact multimode device is even thinner and lighter for improved portability, yet delivers powerful enterprise-grade performance with the latest AMD Ryzen™ 5000 PRO series processors and AMD Radeon™ graphics.

Gigabit Internet access goes wherever ThinkPad L13 Yoga Gen 3 does thanks to new wireless connectivity options, including Wi-Fi 6E and 4G/LTE CAT16 WWAN. Data, users, and their devices are protected by trusted built-in ThinkShield and AMD platform security, as well as new features, like a Power-on Touch Fingerprint Reader and enhanced AI security that includes a PrivacyGuard display option for better protection against shoulder surfers in crowded settings.

ThinkPad L13 Yoga Gen 3

POWERFUL PERFORMANCE

More than just versatile, ThinkPad L13 Yoga Gen 3 is also powerful enough to take on demanding workloads with ease. It features the new Windows 11 Pro OS as well as the latest AMD Ryzen™ 5000 PRO series processors, up to 32GB DDR4 memory, and up to 1TB of Gen 4 PCIe storage.

IMPROVED USER EXPERIENCE

With higher resolution, 16:10 aspect ratio display options and integrated AMD Radeon™ graphics, ThinkPad L13 Yoga Gen 3 gives users a more expansive, immersive viewing experience. The Dolby® Audio™ Speaker System with new Dolby® Voice AI noise suppression technology couples with a new FHD camera option to make videoconferencing crisp and clear.

GO-ANYWHERE CONNECTIVITY

ThinkPad L13 Yoga Gen 3 keeps users connected to accessories, monitors, and more with a wide array of ports, while expanded wireless connectivity options, including Wi-Fi 6E and 4G/LTE CAT16 capabilities, provide Gigabit Internet speeds almost anywhere.

sustainability

ThinkPad L13 Yoga Gen 3 uses 90% recycled and/or sustainable packaging¹, as well as PCC recycled material for the battery brackets, speaker enclosures, and AC adaptors. All Lenovo devices are manufactured using low-temperature solder for reduced emissions. And by 2025, Lenovo aims to obtain 90% of electricity for global operations from renewable sources and remove one million tons of greenhouse gas emissions from the supply chain.

security

ThinkPad L13 Yoga Gen 3 is a secured-core PC enabled device with built-in ThinkShield and AMD security solutions, including enhanced AI biometric authentication and privacy options, for unmatched data and device protection.

interactivity

With its 360-degree hinge, ThinkPad L13 Yoga Gen 3 moves seamlessly between laptop, tablet, tent, and stand modes, while its WUXGA IPS Touch display responds to the touch of a finger or more precise movements of its optional integrated pen.

ThinkPad L13 Yoga Gen 3

Services

Lenovo offers a comprehensive portfolio of end-to-end services to support and protect your investment—so you can focus on the job at hand, not IT.

PREMIER SUPPORT

Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

BULK PACKAGING SERVICE

Bulk Packaging is an environmental packaging solution designed for multiple product types. Each package contains multiples of one like-type product to minimize the amount of material used without jeopardizing the integrity of packaging necessary to protect product in shipping process.

CO₂ OFFSET SERVICE

As an option with the hardware purchase, the Lenovo CO₂ Offset Service gives customers a simple and transparent way to give back to the environment by helping them offset the carbon emissions associated with their Lenovo PC. With it, Lenovo has calculated the carbon emissions of its PCs across their lifecycle, from manufacture and shipment, all the way through usage and disposal. Carbon offset credits are later purchased based on the calculated emissions of the specific device, and Lenovo's carbon offset partner contributes them to one of several United Nations Climate Action projects.

Accessories

ThinkPad USB-C Dock Gen 2

Broadly compatible, this dock expands data, power, and video, providing one connection with no limitations.

PN: 40AS0090US

Lenovo Professional Wireless Keyboard & Mouse Combo

Slim, wireless keyboard with responsive key feeling, adjustable tilt leg, numeric keypad, and spill resistant design. Full-size wireless ambidextrous mouse features five button design for four-way scrolling. Connect both using only one nano USB wireless receiver.
