

IdeaPad Slim 5i (14" | 16")

The smarter choice for mobility.

Wherever you go with Lenovo IdeaPad Slim 5i, amazing times follow. Available in 14" and 16", the thin and lightweight laptops cradle split-second productivity and exceptional visuals on up to OLED display. Combined with advanced machine-learning, long-lasting battery, and versatile ports, it's crafted to move with you and all your adventures.

Always ready to tag along

Cut in two sizes, the laptops are perfectly light for take-anywhere adventures. The 14" carries from 1.46 kg and the 16" model weighs from 1.89 kg – both boast a slim profile of 16.9 mm slim. Match your style and personality with three shades to choose from: elegant Cloud Grey, understated Abyss Blue, or striking Violet in a full metal finish.

Let everything you do fly

Zip through everyday tasks effortlessly with zealous performance from up to the latest Intel® Core™ Ultra 7 processors. With up to 32 GB LPDDR5X memory and up to 1 TB storage, you can access your content in a snap. Plus, it comes with Smart Power to bring the most optimal performance, battery, and cooling abilities for whatever you're running.

It's clearly brilliant

It's a harmony of sight and sound on up to 14" WUXGA and 16" 2K displays, paired with dual speakers certified by Dolby Audio®. Boasting a spacious 16:10 up to VESA DisplayHDR™ 500 True Black certified OLED panel and up to 100% DCI-P3 color gamut, immerse in vivid shades and striking contrasts. With TÜV Low Blue Light, watching video at night remains smooth on the eyes.

Go-anywhere productivity

Tuned to your presence, the optional IR FHD camera with a ToF sensor delivers touchless logins and instant wakes and its privacy shutter offers total peace of mind. The full-function USB Type-C™ ports let you expand your workflows, charge your accessories, and transfer large files effortlessly. With Rapid Charge Boost, you can refuel quickly to keep going.

LENOVO SERVICES

Lenovo Premium Care Plus

Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo CO₂ Offset Services*

Offset the carbon emissions of your PC with Lenovo CO₂ Offset Services - an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.

* Optional.

¹ 14" only.

² Optional.

³ All battery life claims are approximate and based on two methods of testing: MobileMark[®] 2025 battery life benchmark and continuous 1080p video playback on the latest update of Windows 10 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

⁴ 16" only.

⁵ 14" metal version only.

⁶ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.
