All battery life claims are approximate and based on two methods of testing: All battery life claims are approximate and based on two methods of testing: MobileMark 2025 battery life benchmark @ 200 nits brightness and continuous 1080p video playback @ 150 nits brightness on the latest update of Windows 10. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use. | ² Height is calculated using T2 measurements and should be considered 'as thin as'. | ³ Bluetooth* version depends on OS. | ⁴ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other processing to system configuration and your operating environments, may be slower than a speed of 20 Gbit/s. | ⁵ EPEAT^{*}-registered where applicable – see www.epeat.net for registration status by country. | ⁶ FSC License code: C156624.

OPTIONS & ACCESSORIES

With Lenovo

Al Engine+

Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

LENOVO SERVICES

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

WWW.LENOVO.COM

Lenovo CO₂ Offset Services

Offset the carbon emissions of your PC with Lenovo CO₂ Offset Services – an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.
