

IdeaPad Slim 3 (14", 15", 16", 10)

The smarter choice for mobility.

Stay mobile with the IdeaPad Slim 3. Powered by up to AMD Ryzen™ 200 series processors with revolutionary Zen 4 architecture and AI, it offers performance for active lifestyles. The WUXGA 16:10 display with TÜV certification ensures stunning visuals and less eye strain. The 180-degree hinge and 60Wh battery with rapid charge keep you on the move.

Visuals as vibrant as life

Dive into breathtaking visuals with an OLED or WUXGA IPS display, ensuring vibrant colors and sharp details from any angle. The 16:10 "golden ratio" screen allows for more viewing space, ideal for streaming, gaming, or studying. TÜV certification protects your eyes during extended use, whether binge-watching or working on projects.

No outlet? No problem.

Break free from power cords with marathon battery life: enjoy hours of video playback, letting you conquer tasks, fuel creativity, or binge-watch without searching for an outlet. Low on battery? Our Rapid Charge technology rescues you in just 15 minutes of charging that boosts you for 2 hours.

Visibility on your terms

Elevate your virtual presence with our dual-function camera. Enjoy lifelike video calls with stunning clarity, then vanish from view in an instant. Our sleek design includes a manual privacy shutter, empowering you to control your digital exposure effortlessly. Safeguard against unexpected broadcasts and reclaim your private moments.

Eco-friendly innovation

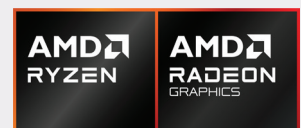

Embrace eco-friendly technology without compromising on quality. Our innovative technology revolutionizes production, minimizing waste and energy consumption with recycled content and packaging materials diverting materials from landfills. Experience cutting-edge performance with a cleaner conscience – from our factory to your hands.

Elevate your experiences

Where performance elevates everyday experiences, the up to AMD Ryzen™ 200 series processors for IdeaPad Slim 3 provide the technology that you need to harness the power of advanced computing with trusted performance, incredible all-day battery life and introductory AI experiences today and for years to come.

With Lenovo
AI Engine+

¹ Optional.

² All battery life claims are approximate to the half hour and based on two methods of testing: MobileMark® 2025 battery life benchmark @ 250 nits brightness and continuous 1080p video playback @ 150 nits brightness on the latest update of Windows 11. Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

³ Metal variant only.

⁴ The actual transfer speed of the USB 3.2 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 20 Gbit/s.

⁵ Registered in US, Canada, Germany.

LENOVO SERVICES

Lenovo Premium Care Plus

Lenovo Premium Care Plus is the ultimate PC support experience with you as our priority 24/7. Enjoy personalized hardware and software support from a global network of elite technicians, along with accidental damage protection, fast repairs with onsite support, extended battery warranty, data migration assistance, and smart performance solutions that optimize PC performance and security.

Lenovo Smart Performance

Smart Performance Services within Lenovo Vantage will keep your system running at optimum performance and proactively fix issues that affect PC performance, internet performance, remove malware, and improve device security.

Lenovo Accidental Damage Protection

Avoid the hassles of unexpected damage & repair costs. With coverage for drops, spills, electric surges, and broken LCD screens, accidental damage protection makes it easy to repair to your PCs and ensures your device is up and running fast.

Lenovo CO₂ Offset Services*

Offset the carbon emissions of your PC with Lenovo CO₂ Offset Services – an easy and transparent solution to offset emissions across the average lifecycle of your device. These offsets are invested in UN-approved initiatives like renewable energy or ecological projects, thus contributing towards a more sustainable future.

Lenovo Sealed Battery Warranty

Long-lasting battery life is not just a feature but a necessity to help you stay productive and connected all day long. Protect your PC's sealed battery from degradation, enjoy hassle-free battery replacement service, and safeguard your PC from future battery failure with our Sealed Battery Warranty Service.

Lenovo Warranty Extensions (Up to 3 Years Duration)

Gain complete peace of mind by extending your base warranty to up to 3 years and minimize unexpected repair costs.
